Request for Proposals  
**Disposition of Town-Owned Real Property**

**ADVERTISEMENT**

The Town of New Milford ("Town") gives notice pursuant to the Town Charter of the request for submission of proposals for the purchase and development of Town-Owned Real Property.

The property is a former school building and current Town administrative offices located at: 50 East Street, New Milford, CT 06776. The subject property is comprised of a 4.63 acre lot. There are 204.00 feet of frontage on East Street and 415 feet on Elm Street Extension. The site has level topography, with public utilities available. The property is located within the R-20 (Residential) zone. Currently, the site is improved with a 23,604 square foot former school building, presently occupied by the New Milford Board of Education and Town Youth Agency, for administrative offices. The property has been appraised at \$1,930,000 (without the building) and \$1,630,000 (keep the building) respectively based on a Scenario 1 and Scenario 2 indicated value with the highest and best use identified as an Assisted Living Facility. Bidders are encouraged to offer bids at a dollar amount they feel appropriate for this property.

Evaluation will be based on:

- Proposals that meet the needs and are consistent with the character of the community, including with respect to use, design, anticipated traffic, parking, and landscaping. Preference will be given to proposals that maintain the façade and historical character of the building. Be advised that Federal and State tax credits may be available with regard to preservation of the Building façade.
- Proposals consistent with the highest and best use identified for the property in the Appraisal. However, alternative uses, including those that would be contingent on a change of zone for the Property, will also be considered.
- Price that is offered.
- Bidders' ability to successfully complete the transaction and the contemplated development in a timely manner.
- Bidders' experience and reputation based on prior development projects.

The Real Estate Appraisal Report was completed in accordance with the Uniform Standards of Professional Practice (USPAP) FIRREA regulations and is in compliance with the Appraisal and Interagency Guidelines dated December 2, 2010 and is available to prospective Bidders. The property would be sold on an "As Is" basis. Bidders are required to make a firm offer for the Property, submit an earnest money deposit equaling 2% of the offered purchase price to be held by the Town in escrow pending evaluation of responsive bids, and provide a completed and signed Project Proposal Form on the form provided by the Town.

Upon acceptance of a responsive Proposal, the contemplated transaction would be contingent on (a) negotiation and agreement on an appropriate Contract of Sale, (b) approval of the Contract of Sale and conveyance by the New Milford Town Council, any Board required by statute, and Town Meeting approval. The successful Bidder shall be required to pay the balance of the purchase price at closing as provided in the approved Contract of Sale. If a selected Proposal fails to receive either Town Council or

Special Town Meeting approval, any deposit will be returned to the Bidder. The earnest moneys of any Bidders not selected by the Town will be returned to each such Bidder.

The property will be made available for inspection on:

- By appointment by calling Kevin Bielmeier at 860-355-5001

All Bidders must submit the Town of New Milford Project Proposal Form and earnest money deposit by **December 19, 2016, 3:00 p.m.** to the Town of New Milford Purchasing Department, Town of New Milford, 10 Main Street, New Milford, CT 06776. By making a bid, every Bidder accepts and acknowledges the following terms and conditions:

1. The preference of the Town is that the façade and appearance of the building shall not be changed, although proposals involving the demolition of the building will be considered.
2. Upon completion of the development, the real property will be fully taxable. This means that the property will be sold with an appropriate restriction that requires the contemplated development to be built.
3. A portion of the parking lot is currently being used by Theatre Works New Milford, a local theatre that provides performances at a restored church at 5 Brookside Avenue. The sale will be contingent on the successful Bidder providing a license for up to 45 parking spaces to accommodate performances, or a lesser amount of parking spaces that incorporates a shuttle/valet service through the parking lot to accommodate theatre patrons for less than 100 nights a year on weekends.
4. The Building contains a stained glass panel that shall be preserved. If the stained glass is removed for any reason, it will be offered to the Town first at no cost. This provision will run with the land.
5. Any WPA art projects/murals in the building will be preserved or offered to the Town at no cost. This provision will run with the land.

In selecting a proposal, the Town is not bound to make the award on the basis of the highest monetary offer. It is the Town's goal to strengthen the mission and stability of the community and therefore, shall give preference to Bidders who intend on using the property in a manner consistent with its highest and best use, consistent with the Town's Plan of Conservation and Development and associated planning objectives. The Town reserves the right to accept or reject any and all proposals, either in whole or in part, with or without cause, waive any informality of any proposals, cancel this request for proposals, and to make the award in the best interest of the Town, subject to and contingent upon Town Council approval and the other approvals recited above.
